Here is a copy of an interview over WOR New York of Allen W. Dulles with three newspaper women: Gay Pauley, UPI, Georgiana O'Kane of WORLD TELEGRAM & SUN, and Joan Cook, NEW YORK TIMES.

Mr. Dulles discusses Cuba and states as far as he knows, no one in authority in the American Government promised support to the Cuban invaders at the Bay of Pigs; and as far as he knows, no air support was promised. He defends the U-2 flights over Russia. He defends the CIA against the charge of policy-making.
